NATIONAL EVENTS

1. On March 9, President Johnson presents the Medal of Honor to Spec. 6 Lawrence Joel, the first medic to win the nation's highest award for military gallantry.

2. In October, thousands of anti-Vietnam-war protest marchers descended on Washington, D. C. and created scenes like this at the mall entrance of the Pentagon.

3. Astronauts Virgil I. Grissom, Edward H. White and Roger B. Chaffee died at Cape Kennedy on January 27 when fire broke out in their Apollo capsule.

4. On September 9, Debra Dene Barnes, Moran, Kansas, was chosen Miss America 1968. Debra was the second Miss Kansas in a row to win this high honor.

5. This young lady is holding six pieces of high-resolution film, called chips, developed by IBM. All of Shakespeare's works can be recorded on six chips.

6. This aircraft of the future, the 231-foot Boeing 747, will someday carry 490 passengers at 625 m.p.h., thus enabling air fares to be reduced.

7. In August, flood waters of the Chena River in Alaska caused hundreds of millions of dollars in damage. Fifteen thousand residents of Fairbanks were evacuated.

8. In July, 4,700 Federal troops were called in to suppress rioting in Detroit, Michigan. Many other cities experienced similar riots during 1967.

9. On November 9, following years of preparation and the expenditure of billions of dollars, the first giant Saturn rocket was launched from Cape Kennedy.

10. UCLA's basketball team, featuring 7-foot, 2-inch Lew Alcindor, was undefeated in 1967 and could conceivably set an all time win record during 1968.

11. Secretary Robert C. Weaver looks over a possible solution to part of the pollution problem, a minicar which features a small gasoline-electric engine.

12. In January, a record-smashing 26 inches of snow fell in Chicago in 29 hours and brought the entire area to a virtual standstill for more than a week.

Dedication

We, the Senior Class of 1968, wish to express our appreciation by saying "thank you" through the dedication of this yearbook.

This is a small expression of gratitude for the advice and consultation which we received, from 1955 when we were shy little kindergarteners to "adult seniors".

During these twelve years you have shown patience even through adolesence. Your guidance and understanding has made these years a lot of fun. We shall never forget this part of our life.

To MOTHER and DAD, we say, "THANK YOU".

Laurie Cayle

"God bless the boys, I love them all,
but why aren't more of them six feet tall?"

Mike Stripling

Most great men are dead or dying,
and I'm not feeling so well myself.

Le Roy Hanson

Give me time and I'll grow up.

Phyllis Block

She knows them all from
out-of-town.

Full of fun and mischief too,
doing things he shouldn't do.

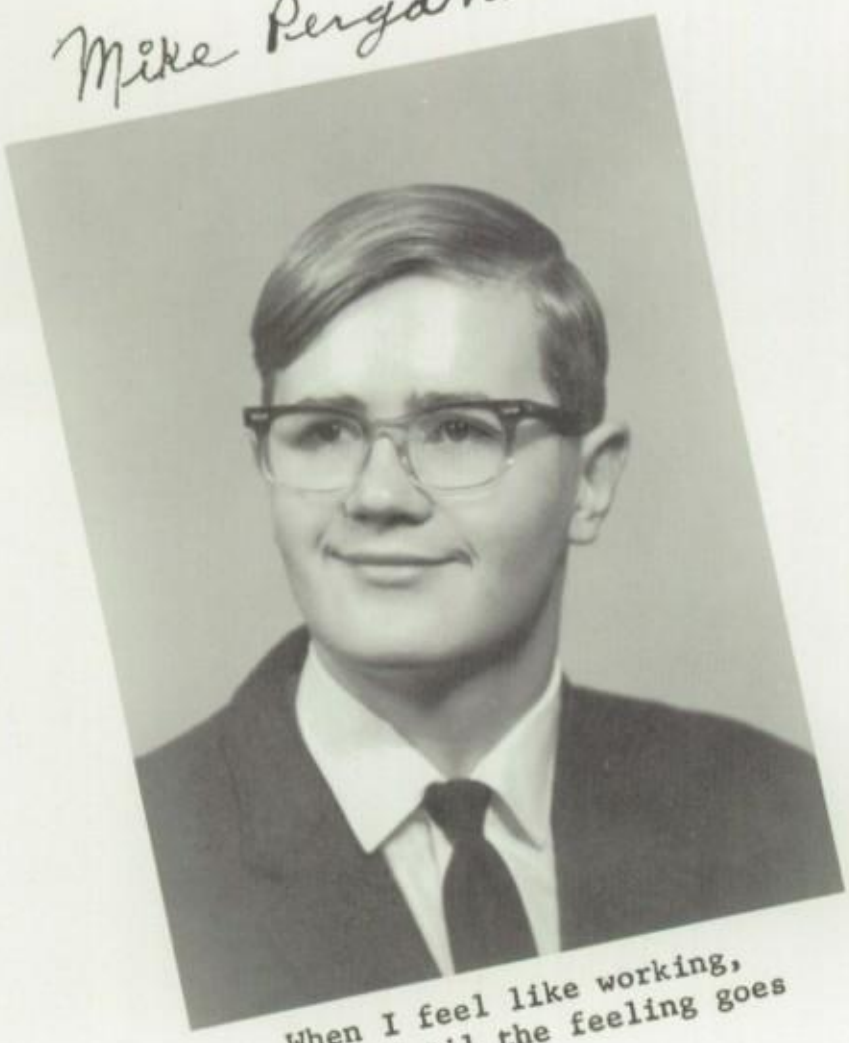
Becky Daley

Serious-looking but looks are only skin deep.

Linda Lou Ericson

If you're good, you'll never have fun.

Mike Pergande



When I feel like working, I rest til the feeling goes away.

1. British hippies claim that their aim is different from that of American hippies. . . they don't want to "drop out" of society, but to stay in and change it.

2. French President Charles DeGaulle stirred up a lot of controversy during 1967—here he explains why he feels Britain should not be a Common Market member.

3. Soldiers of the U.S. 4th Infantry Division rest atop Hill 1338 following a fierce battle with the North Vietnamese for the hill in the Dak To area.

4. Israeli soldiers fly their flag from a mosque in the Sinai desert captured by the Israelis during the short-lived Arab-Israeli war in June of 1967.
